UMC partner agencies represent the backbone of our regional safety net. At a time when the needs in the community are so overwhelming, UMC provides a unique opportunity for those who live and work here to give in a way that supports all of these causes at once. The support UMC can distribute to partner agencies is a testament to the compassion of the collective community. By vetting and working with nearly all local organizations in the focus areas of food, housing, health & safety, and economic security you don't have to choose just one when you care about them all. **Your gift will have a direct life changing impact on families, friends, and neighbors,** allowing individuals to receive everything from free cancer screenings, vaccines, diapers, and hygiene products to heating assistance and actual homes.
